**To: ALL WIA Youth Service Providers**

Local Workforce Investment Boards (LWIB) must render policy on whether extended follow-up services should be provided beyond the required post program 12 month follow-up. The purpose of this bulletin is to inform you that on January 11, 2001 the County Workforce Investment Board (WIB) approved a policy decision to **not provide extended follow-up services. Therefore, participants are to be provided follow-up services for only a mandatory period of 12 months after exit from the program.**

A follow-up service is a mandatory core element that each participant must receive **after** program exit. Follow-up services may include, but are not limited to the following activities:

- Leadership development
- Support services
- Provide assistance in securing a better paying job
- Career development
- Adult mentoring
- Assistance with continued education/training
- Provide work-related peer support group
- Track the progress of participant's employment
