URGENT – FOR YOUR IMMEDIATE ATTENTION

To: All WIA Youth Service Providers

The purpose of this bulletin is to forward the attached **final** draft of the Performance (Sanction) Policy to all service providers.

There will be one final forum available to all service providers during the September 13, 2001 Youth Council meeting for comment on the attached final draft Performance Policy. All service providers wishing to address the Youth Council must be present at the Youth Council meeting on September 13, 2001 at 9:30 a.m. Please limit your comments to 3 minutes so that all service providers wishing to address the Youth Council will have the opportunity to do so. All comments must also be in a written format, so that they may be submitted to the Chair of the Youth Council.

The attached final draft of the performance policy is the result of input and collaboration between the Youth Council's sub-committee on performance policy and service providers.

We look forward to hearing comments from all service providers on this important policy matter. The Performance Policy Sub-committee will incorporate all comments deemed appropriate by the Youth Council into the final policy and present it to the full Youth Council for approval during their next regularly scheduled meeting.

If you have any questions please contact Patrick Malekian at (213) 738-2683.

VIRGINIA ENRIQUEZ,
