## YOUTH JOBS PROGRAM DIRECTIVE

NUMBER: LACYJ D16-05

SUBJECT: COUNTY OF LOS ANGELES  
UNINCORPORATED AREA  
DETERMINATION

DATE: August 9, 2016

EFFECTIVE DATE: Immediately

**TO: LACYJ PROGRAM PROVIDERS**

### **PURPOSE**

The purpose of this Directive is to provide LACYJ providers with guidance on determining which zip codes correspond to the unincorporated areas of Los Angeles County.

### **POLICY AND PROCEDURES**

#### ***Unincorporated Area Status Determination***

The County of Los Angeles provides services to constituents that reside in unincorporated areas of Los Angeles County. In an effort to prioritize youth that live in these areas, funding has been set aside to accommodate these youth. At the time of eligibility determination, providers shall assess if a youth resides in an unincorporated area and shall capture this demographic in the WebApp.

To determine if the youth resides in an unincorporated area, providers shall utilize the County of Los Angeles Unincorporated Area Listing (Attachment I) to confirm if the youth's reported address (zip code) corresponds to an unincorporated area. If the address is in an unincorporated area, the provider shall document this in the case notes section and also capture this in the WebApp regardless of funding stream. For instance, CalWORKs youth that reside in unincorporated areas shall be aligned with the CalWORKs funding and the unincorporated area indicator shall also be initiated.

#### ***Unincorporated Area Funding***

Once LACYJ eligibility criteria has been established and the necessary documentation has been gathered, providers shall utilize the specific "Unincorporated Area" tab on the WebApp and also initiate the unincorporated area indicator. When the set aside funds are exhausted, providers shall utilize another appropriate funding stream.
